INTRODUCTION

Daryl Fred Heller is the Debtor and Debtor-in-Possession in this Chapter 11 bankruptcy case (the “Debtor” or “Proponent”). On February 10, 2025, the Debtor commenced a bankruptcy case by filing a voluntary Chapter 11 petition under the United States Bankruptcy Code (“Bankruptcy Code”), 11 U.S.C. § 101 *et seq.* This document is the Debtor’s Chapter 11 Plan (the “Plan”) proposed by the Debtor / Proponent. Sent to you in the same envelope as this document is the Debtor’s Disclosure Statement Pursuant to Section 1125 of the Bankruptcy Code Describing Chapter 11 Plan of Reorganization Proposed by the Debtor-in-Possession which has been approved by the United States Bankruptcy Court for the District of New Jersey (the “Court”), and which is provided to help you understand the Plan.

This is a reorganizing plan. In other words, the Proponent seeks to accomplish payments under the Plan by satisfying secured, priority, Administrative Expense Claims, and general unsecured claims as set forth in the Plan. The Effective Date of the proposed Plan is the first day of the month following the date which is thirty (30) days after the date on which the Confirmation Order becomes a Final Order.

The Debtor’s Plan will be funded by a combination of income from the Debtor’s entities and primarily from the sale of assets owned or wholly owned by entities. The Debtor is employed by Althea Management, LLC (“Althea”), which assesses monthly management fees for the daily management of Heller Capital Group, LLC’s (“HCG”) and Heller Investment Holdings, LLC’s (“HIH”) assets. The Debtor has a ninety-nine percent (99%) member-interest in Althea, and the remaining one percent (1%) is owned by Althea Group, LLC (“Althea Group”). The Debtor owns one-hundred percent (100%) member-interest of Althea Group. Althea Group is the manager of

Althea. The Debtor is the managing member of Althea Group. Althea has no assets, and its sole source of income derives from management services it provides to entities and is structured to be a zero-profit entity only assessing management fees to offset its payroll, and other nominal operating expenses such as insurances. The Debtor works from a home-office to minimize expenses.

The Debtor owns a ninety-nine- and one-half percent (99.5%) member-interest in HCG and an eighty-five percent (85%) member-interest in HIH. The Debtor's gross income from Althea is bifurcated approximately as follows and may shift over time as workload increases/decreases inside entities: (i) salary of \$40,000 of which 25,000 is targeted to come from HIH and \$15,000 is targeted to come from HCG,¹ and (ii) and the Schedule K-1 income for entities owned by HCG and HIH will not be known until the end of 2025. The Debtor is not expecting significant Scheduled K-1 income for 2025. Rather, losses are likely based on impairment to HCG and HIH, which will pass through to Debtor and help offset his 2022 federal tax liability. Additionally, Debtor is in process of filing his 2023 and 2024 tax returns which will generate losses and further offset his federal tax liability.

The Debtor's salary is utilized to pay his ordinary course expenses, such as mortgage, living expense, taxes, etc. HCG has a significantly reduced fair market value of approximately \$15,000,000 to \$25,000,000, as its assets have been devalued, undermined, and impaired from (i) the legal actions by Prestige and other creditors which directly resulted in losses of customers, revenue, vendors and business partners, (ii) Debtor's bankruptcy filing, (iii) creditors seizing and

¹ The Debtor has been taking less monthly income given various cash-flow issues pertaining to Althea, HCG, and HIH.

liquidating assets,² and (iv) the unlawful seizing of assets by Jerry Hostetter³ from Prestige for personal benefit has created further impairment.

HIH has a significantly reduced fair market value of approximately \$15,000,000 to \$25,000,000, as its assets have been devalued, undermined, and impaired from (i) the legal actions by Prestige and other creditors which directly resulted in losses of customers, revenue, vendors and business partners, (ii) Debtor's bankruptcy filing, and (iii) GCC Investment Holdings unlawfully seizing of membership interests.⁴ As a disclaimer, valuation of HCG and HIH is estimated and valuations could be substantially higher if creditors allow for strategic selling of assets and allow certain assets/entities to reach maximum valuation by completing its life cycle to achieve critical mass; conversely estimated valuations could be substantially lower if liquidated in a 'fire sale.'

The Debtor also has a fifty percent (50%) member interest in DHTC, and a one-hundred percent (100%) member-interest in the following entities: I Employee Services, LLC, Raw Ventures, LLC, and Cash Ventures IV, LLC, all of which will be liquidated and the proceeds distributed to creditors.

The Debtor's proposed funding of the Plan is through Debtor owned entities cash flows and/or liquidation of entities in which the Debtor wholly or partially owns through entity interests.

² As an example of a creditor seizing and liquidating HCG assets is Chicago Atlantic Admin, LLC ("Chicago") seizure of HCG's valuable asset, Premier Technology Group ("PTG"), which Chicago liquidated for below market value on or about February 14, 2024, which the Debtor believes was sold for approximately \$16,000,000. Chicago has refused after multiple attempts to provide the final account. PTG should have sold for substantially higher, likely closer to \$25,000,000. Chicago also sold the entity 'AVAIL' and has not disclosed the amount, as well as assets of 'ICS' which have not been disclosed.

³ On or about May 2025, Jerry Hostetter unlawfully confiscated the "Cornwall and Alden" assets from Prestige, placing ownership interest in his personal name, which has a book value of approximately \$500,000 and should have went to creditors. Jerry Hostetter was the Debtor's partner at Prestige, who owned forty percent (40%) of Prestige with HCG owning the remaining sixty percent (60%).

⁴ As an example of seizure of HIH assets, on or about February 2025, GCC Investment Holdings appropriated (membership interests) from HIH, which had a fair market value of approximately \$40,000,000 for HIH equity, based on the Chief Financial Officer's analysis from a July 2024 'soft' appraisal of enterprise valuation, which should have gone to creditors.

The Debtor proposes a rapid liquidation of all HCG entities to occur in approximately eighteen (18) to twenty-four (24) months, or sooner, which will occur through various liquidation events and will result in a final dissolution of HCG. All proceeds from HCG liquidation events will be paid into the Plan to fund creditors and pay the Althea management fee, third party outsource accounting/finance/IT fees and legal administrative and related fees. Accordingly, all of cash flow and liquidation events will benefit creditors, other than the above expenses.

The Debtor has already removed all employees and operating expenses of HCG to streamline expenses to maximize the benefit for creditors. The Debtor proposes a to-be-determined company as liquidating entity for HCG over the next eighteen (18) to twenty-four (24) months. Debtor reserve all of his rights to designate an entity/asset that should not be liquidated pursuant to the eighteen (18) to twenty-four (24) month period if holding such asset(s) beyond that amount of time is for the benefit of creditors.

For HIH, the Debtor proposes that HIH continue to hold assets to generate cash flow. Such cash flow after payment for management fees, third-party accounting/finance/IT fees, and legal and similar administrative fees, will be paid to the Plan for the benefit of creditors. The cash flow will be added to funds resulting from liquidation of assets. The HIH proposal allows for maximizing values and divesting assets over a period of ten (10) years or less, This will allow assets to be liquidated, at strategic times when assets hit maturity and scale which will maximize value for creditors. As a result, this strategic liquidation should increase the HIH asset value to approximately \$35,000,000-\$50,000,000. The proposed HCG cash flow projection and liquidation analysis will be provided and annexed to the Plan as **Exhibit A**. The proposed HIH cash flow projection and liquidation analysis will be provided and annexed to the Plan as **Exhibit B**. The Debtor is in the process of gathering projected financial data and a more acute liquidation analysis for HCG and HIH.

Upon an order confirming the Plan, any and all creditors are enjoined from taking any and all action against the Debtor and his assets and entities, including but not limited to, stock, membership interests, partnership interests, equity holdings, intellectual property, contractual rights, real and personal property, bank accounts, receivables, and any other tangible or intangible assets, whether held directly or indirectly, so as to protect the integrity of the Plan and fund payments to creditors.

The Debtor and his spouse own the marital property by tenants by the entirety located at 909 Greenside Drive, Lititz, Pennsylvania 17543 (the “Marital Property”). The Debtor’s spouse retains a fifty-percent (50%) ownership in the Marital Property as tenants by the entirety. The Marital Property has an approximate fair market value of \$2,800,000 to \$3,000,000, which is subject to a mortgage of approximately \$1,500,000. The Debtor will either retain his portion of the Marital Property through a future sale of property, or purchase his equity interest in the Marital Property, with his “equity” amount paid to creditors paid over ten (10) years.⁵

The Debtor also had an ownership interest in real property located at 7605 Pleasure Avenue, Sea Isle City, New Jersey 08423 (the “Beach House”). The Beach House was sold by way of Order of the Bankruptcy Court dated April 3, 2024 (the “Sale Order”). ECF 167. The net proceeds of the Beach House pursuant to the Sale Order was in the approximate amount of \$1,563,231.69, which was placed in escrow with the Debtor’s law firm, which allowed the sale to occur while preserving the claims of objecting parties to the net proceeds.

Pursuant to the Motion for an Order Approving the Agreement Between the Debtor, Charlene R. Heller, and Orrstown Bank Pursuant to 9019 of the Fed. R. Bankr. P. [ECF 213] (the “Orrstown 9019 Motion”), the Debtor’s spouse is entitled to thirty-to-fifty percent (30%-

⁵ For example, if the home sells for \$3,000,000, after deducting 10% costs of sale, mortgage, homestead exemption and the Debtor’s spouse half interest, there will be “equity” of approximately \$550,000. If the Debtor sells the home, the creditors will receive the benefit of such funds. If the Debtor retains the home, the Debtor will provide for payment of \$550,000 in his Plan.

50%) of the net proceeds of the Beach House or a minimum of the \$250,000 settlement amount with Orrstown Bank.

On May 20, 2025, the Debtor filed a Motion Expunging over \$500,000,000 of erroneous Claims for Claim Nos. 13 Through 32 Filed by Prestige Fund A II, LLC et al.⁶ (“Prestige”) Pursuant to 11 U.S.C. § 502 and Fed. R. Bankr. P. 3007 (the “Motion Object Prestige Claims”). ECF 288. On June 10, 2025, the Court entered an oral decision refraining from ruling on the Motion Object Prestige Claims, which issues will be settled in the adversary proceeding captioned as *Prestige Fund A, LLC et al. v. Daryl Heller and Heller Capital Group, LLC*, Adv. Pro. 25-01128 (the “Prestige Complaint”). The Prestige Complaint remains pending before the Court. Furthermore, the Debtor will be filing a motion to expunge the over \$60,000,000 erroneous Claim No. 57 filed by GCC Investment Holdings LLC (“GCC Investment Holdings” or “Glorious”).

Also, the Debtor will be filing a motion to expunge, or reduce, certain claims from merchant cash advance loans on revenue or receivables, namely Claim No. 3 filed by Prosperum Capital Partners LLC (“Prosperum”), Claim No. 8 filed by CFG Merchant Solutions, LLC (“CFG”), Claim No. 64 filed by Libertas Funding LLC (“Libertas”), Claim No. 65 filed by WebBank (“WebBank”), Claim No. 66 filed by Funders App LLC dba Fundonatic (“Funders”), Claim No. 67 filed by Reliance Financial (“Reliance”), and others, if applicable.

The Debtor may object to the amount or validity of any Claim within sixty (60) days of the Confirmation Date by filing an objection with the Bankruptcy Court and serving a copy of

⁶ Claim Nos. 13 through 32 were filed by related entities as follows: Prestige Fund A II, LLC (Claim No. 13); Prestige Fund A IV, LLC (Claim No. 14); Prestige Fund A IX, LLC (Claim No. 15); Prestige Fund A V, LLC (Claim No. 16); Prestige Fund A VI, LLC (Claim No. 17); Prestige Fund A VII, LLC (Claim No. 18); Prestige Fund A, LLC (Claim No. 19); Prestige Fund B BTM I, LLC (Claim No. 20); Prestige Fund B II, LLC (Claim No. 21); Prestige Fund B IV, LLC (Claim No. 22); Prestige Fund B V, LLC (Claim No. 23); Prestige Fund B VI, LLC (Claim No. 24); Prestige Fund B VII, LLC (Claim No. 25); Prestige Fund B, LLC (Claim No. 26); Prestige Fund D BTM I, LLC (Claim No. 27); Prestige Fund D III, LLC (Claim No. 28); Prestige Fund D IV, LLC (Claim No. 29); Prestige Fund D V, LLC (Claim No. 30); Prestige Fund D VI, LLC (Claim No. 31); and Prestige Fund D, LLC (Claim No. 32)

the objection on the holder of the Claim. The Claim objected to will be treated as a Disputed Claim under the Plan. If a claim is disputed, once such claim is adjudicated by the Court, it will be disallowed, allowed, reclassified or reduced. An Allowed Claim will be paid in accordance with the Plan.

Upon confirmation of the Plan the Amended Consent Order Preserving Status Quo (the “Status Quo Order”) [ECF 119], is hereby dissolved against the Debtor’s spouse, two (2) children, HIH, HCG, Accordo. L.P., Brookfield, L.P., and Brigantine Group, L.P. (collectively, the “Status Quo Parties”). Moreover, upon dissolution of the Status Quo Order, any and all claims against the Status Quo Parties by creditors will hereby be released. The Debtor reserves any and all rights to seek the termination of Edward A. Phillips (the “Examiner”), the court-appointed Examiner in this case.

II.

C. Unclassified Claims

Certain types of claims are not placed into voting classes; instead, they are unclassified. They are not considered impaired, and they do not vote on the Plan because they are automatically entitled to specific treatment provided for them in the Bankruptcy Code. As such, the Proponent has not placed the following claims in a class. The treatment of these claims is provided below.

1. Administrative Expenses and Fees

Administrative expenses are claims for costs or expenses of administering the Debtor's Chapter 11 case which are allowed under Code Section 503(b). Fees payable to the Clerk of the Bankruptcy Court and the Office of the United States Trustee were also incurred during the Chapter 11 Case. The Code requires that all administrative expenses be paid on the Effective Date of the Plan unless a particular claimant agrees to a different treatment.

The following chart lists the Debtor's unpaid administrative fees and expenses ("Compensation"), an estimate of future professional fees and other administrative claims and fees and their treatment the Plan:

Court Approval of Professional Compensation and Expenses Required:

The Court must approve all professional compensation and expenses. Each professional person requesting compensation in the case pursuant to Sections 327, 328, 330, 331, 503(b) or 1103 of the Bankruptcy Code shall file an application for allowance of final compensation and reimbursement of expenses not later than sixty (60) days after the Effective Date. Nothing herein shall prohibit each professional person from requesting interim compensation during the course of this case pending Confirmation of this Plan. No motion or application is required to fix fees

⁷ The Examiner and his financial advisor, Getzler Henrich & Associates LLC, filed fee applications, with fees continuing to accrue on a monthly basis. ECF 399, 400.

⁸ The Examiner's counsel, Reed Smith LLP, filed a fee application, with fees continuing to accrue on a monthly basis. ECF 401.

payable to the Clerk's Office or the Office of the United States Trustee, as those fees are determined by statute.

2. Priority Tax Claims

Priority tax claims are certain unsecured income, employment and other taxes described by Code Section 507(a)(8). The Code requires, and thus this Plan provides, that each holder of such a 507(a)(8) priority tax claim receives the present value of such claim in deferred cash payments, over a period not exceeding six years from the date of the assessment of such tax.

Priority tax claims shall be satisfied in accordance with the requirements of Section 507(a)(8).

On March 19, 2025, the Department of Treasury – Internal Revenue Service (“IRS”) filed Claim 9 (the “IRS Claim”) in the amount of \$18,926,096.76. The basis for the IRS Claim is taxes owed. The IRS Claim (i) designates \$6,028,805.26 as secured, and (ii) designates \$12,897,291.50 as a priority unsecured claim. The Debtor is in the process of filing tax returns for tax years 2023 and 2024, which the Debtor believes will substantially reduce, offset, or eliminate the priority unsecured portion of the IRS Claim. The Debtor anticipates the priority unsecured portion of the IRS Claim will be reduced to approximately \$1,000,000, at most, or be eliminated entirely. Pursuant to Section 507 of the Bankruptcy Code, the Debtor will pay the IRS Claim, including interest, over the course of sixty (60) months, at approximately \$17,000 a month should the unsecured priority portion be reduced to approximately \$1,000,000. As for the secured portion of the IRS Claim, the IRS is subordinate to other secured creditors who hold a senior security interest in the Debtor's assets which may encumber any equity in such assets, thus the secured portion of the IRS Claim will be treated as unsecured. The Debtor reserves his right to file a motion to reduce and/or reclassify the IRS Claim.

D. Classified Claims and Interests⁹

1. Classes of Secured Claims¹⁰

Secured claims are claims secured by liens on property of the estate. If there are assets available, the below creditors will be paid upon the priority they should receive, otherwise they will be treated as an unsecured claim. The following represent all classes containing Debtor's secured pre-petition claims and their treatment under this Plan:

CLASS	DESCRIPTION	INSIDERS (Y/N)	IMPAIRED (Y/N)	AMOUNT OWED	TREATMENT
1	IRS	N	N	\$6,028,805.26	This amount will be reduced to approximately \$1,000,000, or less, once when the Debtor files taxes for tax years 2023 and 2024. The Debtor will pay approximately \$17,000 and including interest a month.

⁹ The Debtor retains and reserves all of his rights to object to certain claims or reclassify treatment.

¹⁰ Proof of Claim 3 by Prosperum Capital Partners LLC, Proof of Claim 8 by CFG Merchant Solutions, LLC, Proof of Claim 47 filed by Univest Bank and Trust Co., Proof of Claim 87 filed by Bryan Zeamer and Heather Seamer, and Proof of Claim 88 filed by Randy Weaver, will all be treated as unsecured claims despite said claims filed as alleged secured claims, because the Debtor disputes the validity, extent, and priority of the asserted security interests, and no competent evidence has been provided to establish a perfected lien or enforceable security agreement under applicable law, and therefore such claims do not meet the requirements for secured status under 11 U.S.C. § 506. The Debtor reserves his right to object to such claims.

CLASS	DESCRIPTION	INSIDERS (Y/N)	IMPAIRED (Y/N)	AMOUNT OWED	TREATMENT
2	Orrstown Bank ¹¹	N	Y	\$6,700,566.25	Orrstown filed Claims Nos. 48, 49, 50, 51, 52, 53, and 62 (“Orrstown’s Claims”) in the Debtor’s case. Orrstown Claims are addressed in the Orrstown 9019 Motion. ECF 213
3	Needham Bank ¹²	N	Y	\$12,100,000.00	This amount will be fully satisfied by the liquidation of Glorious, which is an entity under HIH, who was the largest shareholder in GCC Investment Holdings and GCC MSO before membership interests were seized, which the Debtor expects to recover.

2. Priority Non-Tax Claims

Certain priority non-tax claims that are referred to in Code Sections 507(a)(3), (4), (5), (6), and (7) are entitled to priority treatment. These claims are to be treated as follows: Not applicable.

¹¹ Orrstown Bank is secured only up to the value of the Marital Property.

¹² Needham Bank is secured only up to the value of the Marital Property.

3. Class of General Unsecured Claims

General unsecured claims are unsecured claims not entitled to priority under Code Section

507(a). These claims are to be treated as follows:

CLASS #	DESCRIPTION	INSIDER (Y/N)	IMPAIRED (Y/N)	TREATMENT
4	General Unsecured Claims ¹³ Total amount of filed claims = (approximately \$88,226,552.83) (this amount is still being determined that claims are subject to objection and reclassification.) The Debtor will contribute one hundred percent (100%) of HCG cash flow and liquidation of assets, less Althea, Administrative Claims, and third party outsource fees over two (2) years. The Debtor will contribute one-hundred percent (100%) of HIH cash flow and liquidation of assets less Althea, Administrative Claims and third party outsource fees over ten (10) years.	Y	Y	Debtor will fund a “pot” plan of one hundred percent (100%) of HCG cash flow and liquidation of assets (post Althea, administrative claims and third-party outsource fees) over two (2) years and one-hundred percent (100%) of HIH cash flow and liquidation of assets (post Althea, admin and third party outsource fees) over ten (10) years based on pro rata amount of a creditor. The Debtor intends on liquidating HIH in whole or part, and if Debtor retains any part of HIH the Debtor will pay the value of the retained portion of HIH to creditors over ten (10) years.

4. Class(es) of Equity Interest Holders

The Debtor will be retaining his fifty-percent (50%) ownership interest in the Martial Property. The Debtor will either retain his portion of the Martial Property, or purchase his equity interest in the Martial Property, with the amount paid to creditors.

Means of Effectuating the Plan

¹³ The approximate unsecured debt is less (i) Prestige’s Claim Nos. 13 through 32, totaling \$503,290,225.46, which is being addressed in Prestige’s Complaint [Adv. Pro. 25-01128], and (ii) Glorious’s Claim No. 57, totaling \$60,043,172.00, which will be addressed in the forthcoming expungement motion, among other claims the Debtor designates.

E. Acceptance or Rejection of Plan

Each impaired class of Creditors with claims against the Debtor's estate shall be entitled to vote separately to accept or reject the Plan. A class of Creditors shall have accepted the Plan if the Plan is accepted by at least two-thirds (2/3) in the aggregate dollar amount and more than one-half (1/2) in number of holders of the allowed Claims of such class that have accepted or rejected the Plan. In the event that any impaired class of Creditors or Interest holders shall fail to accept the Plan in accordance with Section 1129(a) of the Bankruptcy Code, the Proponent reserves the right to request that the Bankruptcy Court confirm the Plan in accordance with Section 1129(b) of the Bankruptcy Code.

F. Means of Effectuating the Plan

1. Funding for the Plan

The Debtor's Plan will be funded by a combination of income from the Debtor's entities and primarily from the sale of assets owned or wholly owned by entities. The Debtor is employed by Althea, which assesses monthly management fees for the daily management of HCG and HIH assets. The Debtor has a ninety-nine percent (99%) member-interest in Althea, and the remaining one percent (1%) is owned by Althea Group. The Debtor owns one-hundred percent (100%) member-interest of Althea Group. Althea Group is the manager of Althea. The Debtor is the managing member of Althea Group. Althea has no assets, and its sole source of income derives from management services it provides to entities and is structured to be a zero-profit entity only assessing management fees to offset its payroll, and other nominal operating expenses such as insurances. The Debtor works from a home-office to minimize expenses.

The Debtor owns a ninety-nine- and one-half percent (99.5%) member-interest in HCG and an eighty-five percent (85%) member-interest in HIH. The Debtor's gross income from Althea is bifurcated approximately as follows and may shift over time as workload

increases/decreases inside entities: (i) salary of \$40,000 of which 25,000 is targeted to come from HHH and \$15,000 is targeted to come from HCG, and (ii) and the Schedule K-1 income for entities owned by HCG and HHH will not be known until the end of 2025. The Debtor is not expecting significant Scheduled K-1 income for 2025. Rather, losses are likely based on impairment to HCG and HHH, which will pass through to Debtor and help offset his 2022 federal tax liability. Additionally, Debtor is in process of filing his 2023 and 2024 tax returns which will generate losses and further offset his federal tax liability.

The Debtor's salary is utilized to pay his ordinary course expenses, such as mortgage, living expense, taxes, etc. HCG has a significantly reduced fair market value of approximately \$15,000,000 to \$25,000,000, as its assets have been devalued, undermined, and impaired from (i) the legal actions by Prestige and other creditors which directly resulted in losses of customers, revenue, vendors and business partners, (ii) Debtor's bankruptcy filing, (iii) creditors seizing and liquidating assets, and (iv) the unlawful seizing of assets by Jerry Hostetter from Prestige for personal benefit has created further impairment.

HHH has a significantly reduced fair market value of approximately \$15,000,000 to \$25,000,000, as its assets have been devalued, undermined, and impaired from (i) the legal actions by Prestige and other creditors which directly resulted in losses of customers, revenue, vendors and business partners, (ii) Debtor's bankruptcy filing, and (iii) GCC Investment Holdings unlawfully seizing of membership interests. As a disclaimer, valuation of HCG and HHH is estimated and valuations could be substantially higher if creditors allow for strategic selling of assets and allow certain assets/entities to reach maximum valuation by completing its life cycle to achieve critical mass; conversely estimated valuations could be substantially lower if liquidated in a 'fire sale.'

The Debtor also has a fifty percent (50%) member interest in DHTC, and a one-hundred percent (100%) member-interest in the following entities: I Employee Services, LLC, Raw Ventures, LLC, and Cash Ventures IV, LLC, all of which will be liquidated and the proceeds distributed to creditors.

The Debtor's proposed funding of the Plan is through Debtor owned entities cash flows and/or liquidation of entities in which the Debtor wholly or partially owns through entity interests. The Debtor proposes a rapid liquidation of all HCG entities to occur in approximately eighteen (18) to twenty-four (24) months, or sooner, which will occur through various liquidation events and will result in a final dissolution of HCG. All proceeds from HCG liquidation events will be paid into the Plan to fund creditors and pay the Althea management fee, third party outsource accounting/finance/IT fees and legal administrative and related fees. Accordingly, all of cash flow and liquidation events will benefit creditors, other than the above expenses.

The Debtor has already removed all employees and operating expenses of HCG to streamline expenses to maximize the benefit for creditors. The Debtor proposes a to-be-determined company as liquidating entity for HCG over the next eighteen (18) to twenty-four (24) months. Debtor reserve all of his rights to designate an entity/asset that should not be liquidated pursuant to the eighteen (18) to twenty-four (24) month period if holding such asset(s) beyond that amount of time is for the benefit of creditors.

For HIH, the Debtor proposes that HIH continue to hold assets to generate cash flow. Such cash flow after payment for management fees, third-party accounting/finance/IT fees, and legal and similar administrative fees, will be paid to the Plan for the benefit of creditors. The cash flow will be added to funds resulting from liquidation of assets. The HIH proposal allows for maximizing values and divesting assets over a period of ten (10) years or less, This will allow assets to be liquidated, at strategic times when assets hit maturity and scale which will maximize

value for creditors. As a result, this strategic liquidation should increase the HIH asset value to approximately \$35,000,000-\$50,000,000. The proposed HCG cash flow projection and liquidation analysis will be provided and annexed to the Plan as Exhibit A. The proposed HIH cash flow projection and liquidation analysis will be provided and annexed to the Plan as Exhibit B. The Debtor is in the process of gathering projected financial data and a more acute liquidation analysis for HCG and HIH.

Upon an order confirming the Plan, any and all creditors are enjoined from taking any and all action against the Debtor and his assets and entities, including but not limited to, stock, membership interests, partnership interests, equity holdings, intellectual property, contractual rights, real and personal property, bank accounts, receivables, and any other tangible or intangible assets, whether held directly or indirectly, so as to protect the integrity of the Plan and fund payments to creditors.

The Debtor and his spouse own the Marital Property by tenants by the entirety. The Debtor's spouse retains a fifty-percent (50%) ownership in the Martial Property as tenants by the entirety. The Martial Property has an approximate fair market value of \$2,800,000 to \$3,000,000, which is subject to a mortgage of approximately \$1,500,000. The Debtor will either retain his portion of the Martial Property through a future sale of property, or purchase his equity interest in the Martial Property, with his "equity" amount paid to creditors paid over ten (10) years.

The Debtor also had an ownership interest in the Beach House. The Beach House was sold by way of the Sale Order. ECF 167. The net proceeds of the Beach House pursuant to the Sale Order was in the approximate amount of \$1,563,231.69, which was placed in escrow with the Debtor's law firm, which allowed the sale to occur while preserving the claims of objecting parties to the net proceeds.

Pursuant to the Orrstown 9019 Motion, the Debtor's spouse is entitled to thirty-to-fifty percent (30%-50%) of the net proceeds of the Beach House or a minimum of the \$250,000 settlement amount with Orrstown Bank.

2. Post-Confirmation Management

The Debtor will continue to manage HIH and HCG through Althea.

3. Disbursing Agent

The Reorganized Debtor shall act as the disbursing agent for the purpose of making all distributions provided for under the Plan. The Disbursing Agent shall serve without bond and shall receive no remuneration for distribution services rendered and expenses incurred pursuant to the Plan.

The Debtor is not subject to governmental regulatory commission approval of their rates.

If the Court abstains from exercising, or declines to exercise jurisdiction, or is otherwise without jurisdiction over any matter set forth in this Section, or if the Debtor or the reorganized Debtor

IV.

EFFECT OF CONFIRMATION OF PLAN

A. Discharge

This Plan provides that upon confirmation of the Plan, Debtor shall be discharged of liability for payment of debts incurred before Confirmation, to the extent specified in 11U.S.C. § 1141. However, any liability imposed by the Plan will not be discharged. If Confirmation of this Plan does not occur, the Plan shall be deemed null and void. In such event, nothing contained in

this Plan shall be deemed to constitute a waiver or release of any claims against the Debtor or his estate or any other persons, or to prejudice in any manner the rights of the Debtor or his estate or any person in any further proceeding involving the Debtor or his estate. The provisions of this Plan shall be binding upon Debtor, all Creditors and all Equity Interest Holders, regardless of whether such Claims or Equity Interest Holders are impaired or whether such parties accept this Plan, upon Confirmation thereof. Moreover, any judgments docketed against the Debtor or his real properties in the State of New Jersey and any county or subdivision thereof will be expunged upon the Effective Date of the Plan.

B. Release of Claims

Except as otherwise expressly provided for in this Plan, the distributions and rights afforded in the Plan shall be complete and full satisfaction and release, effective as of the Effective Date, of all Claims against the Debtor or any of his assets or properties of any nature whatsoever. Commencing on the Effective Date, except as otherwise expressly provided for in this Plan, all Claimants, are forever releasing, waiving, and discharging and shall be precluded forever from asserting against the Debtor and his respective agents, employees, principals, members, officers, shareholders, representatives, financial advisors, accountants, attorneys, or employees and his respective assets and properties any other or further claims, obligations, suits, judgments, liens, encumbrances, damages, debts, rights, causes of action, and liabilities whatsoever arising on or prior to the Effective Date in any way relating to the Debtor, the conduct of the Debtor's businesses or affairs, the Chapter 11 Case, or the Plan, including, but not limited to, all principal and accrued and unpaid interest on the debts of the Debtor based on any act or omission, transaction or other activity or security instrument or other agreement of any kind or nature occurring, arising or existing prior to the Effective Date, that was or could have been the subject of any Claim, whether or not Allowed; provided, however, that such release, waiver and discharge shall not apply in any

respect to any acts or omission that are the result of fraud, gross negligence or willful misconduct by the Debtor from the Petition Date to the Effective Date.

On and after the Effective Date, as to every Claim, every Holder of a Claim shall be precluded from asserting against the Debtor and his respective agents, employees, principals, officers, members, shareholders, representatives, financial advisors, accountants, attorneys or employees and its respective assets and/or properties any further Claim based on any document, instrument, act, omission, transaction or other activity of any kind or nature that occurred prior to the Effective Date.

Pursuant to Bankruptcy Rule 9019, confirmation of the Plan shall constitute, and all consideration distributed under this Plan shall be in exchange for and in complete satisfaction, settlement, and release of and an injunction against, all as of the Effective Date, any and all Claims, demands, allegations or causes of action, against the Debtor and their respective agents, representatives, officers, shareholders, members, employees, financial advisors, accountants, attorneys, or employees for any liability for actions taken or omitted to be taken in good faith under or in connection with the Plan or in connection with the Chapter 11 case or the operation of the Debtor during the pendency of the Chapter 11 case.

C. Modification of Plan

The Proponent of the Plan may modify the Plan at any time before Confirmation. However, the Court may require a new disclosure statement or revoting on the Plan if Proponent modifies the Plan before Confirmation.

The Proponent may also seek to modify the Plan at any time after Confirmation so long as (1) the Plan has not been substantially consummated and (2) the Court authorizes the proposed modification after notice and a hearing.

D. Revesting of Property in the Debtor

Except as provided in Section IV.E. hereinafter, and except as provided elsewhere in the Plan, the Confirmation reverts all of the property of the estate in the Debtor.

E. Post-Confirmation Conversion/Dismissal

A creditor or party in interest may bring a motion to convert or dismiss the case under 11 U.S.C. § 1112(b), after the Plan is confirmed, if there is a default in performing under the Plan. If the Court orders the case converted to Chapter 7 after the Plan is confirmed, then all property that had been property of the Chapter 11 estate, and that has not been disbursed pursuant to the Plan, will revert in the Chapter 7 estate, and the automatic stay will be reimposed upon the revested property only to the extent that relief from stay was not previously granted by the Court during this case.

F. Post-Confirmation Quarterly Fees
